Poster Guidelines

The UCSD Skaggs School of Pharmacy and Pharmaceutical Sciences (SSPPS) provides reimbursement for poster printing to support preceptor faculty members who have had a poster accepted for presentation at a state, national, or international professional pharmacy meeting.

The following guidelines apply to this program:

- A UCSD preceptor faculty member is an author on each poster to be printed
- The faculty author will include a UCSD faculty title designation on poster (e.g. Assistant Clinical Professor, UCSD Skaggs School of Pharmacy and Pharmaceutical Sciences) and must have an active faculty appointment in the school
- The SSPPS branding information will be incorporated on the poster (two templates are provided on our website at <http://pharmacy.ucsd.edu> under the Experiential Education button)

UNIVERSITY of CALIFORNIA, SAN DIEGO
SKAGGS SCHOOL of PHARMACY
and PHARMACEUTICAL SCIENCES

- A maximum of 1 poster printout per faculty member per fiscal year (July through June) will be supported; faculty members who co-author posters with multiple SSPPS students or residents may request support for each of those posters

A description of the process is outlined below:

- **At least one week before you have the poster printed** complete a **Poster Presentation Information form**. Located on our Website at <http://pharmacy.ucsd.edu> and click on the Experiential Education button at the top of the page
- Email an **electronic version of your poster presentation** with the completed form to Lisa Avery at lavery@ucsd.edu
- You will receive an email within two working days confirming expenses for your poster printout will be reimbursed by the UCSD SSPPS.
- Requests for reimbursement of poster printouts should be sent to Lisa Avery, Experiential Education Coordinator, within 30 days of printing.
 - Include the ORIGINAL receipt
 - Include an address where you would like your reimbursement mailed
 - Please allow 4 to 6 weeks for processing
