

The American Pharmacists Association Recognizes

Drs. Eduardo Fricovsky and Nathan Painter

Eduardo Fricovsky, Pharm.D. and the UC San Diego Student-run Free Clinic receive the 2015 American Pharmacists Association Foundation Award for Student Innovation in Immunization Practices. *Pneumococcal Immunization Community Access Program: Bridging the Disparity Gap among the Underserved Population*

Nathan Painter, Pharm.D. receives the American Pharmacists Association Generation Rx Award of Excellence. The award recognizes a pharmacist that has demonstrated a commitment to substance abuse education.

The awards will be presented at the American Pharmacists Association meeting in San Diego March 27-30, 2015.
