Class of 2021 California Board of Pharmacy and NAPLEX Applications

Your applications for the NAPLEX and the CPJE are submitted separately, but SIMULTANTEOUSLY

IMPORTANT: If you choose to register for the NAPLEX after the CABOP has processed your application and emailed your examination eligibility letter, you will need to allow up to 2-4 weeks for the CABOP to confirm your NAPLEX eligibility with the NABP. You will receive notice from the NABP once CABOP has confirmed your eligibility for the NAPLEX. Once the CABOP emails the CPJE eligibility notice, you are made eligible with PSI within 24 hours for the CPJE. The NAPLEX and CPJE examinations are administered by different vendors; therefore, the process is different.
