

## SSPPS - Propose Appointment Form (Academic)

Propose Appointee: \_\_\_\_\_ Email: \_\_\_\_\_

Series: Please select one of the following:

**a) Adjunct Professor, Non-Salaried**

Adjunct Professor series must teach one course (or the equivalent) as defined by the SSPPS.

Please list course name: \_\_\_\_\_ Course #: \_\_\_\_\_ Rank: \_\_\_\_\_

**b) Visiting Scholar**

Must hold a Ph.D. degree and must have an academic appointment at another University. AKA: Distinguish Visitors. Note: Honorarium - max. salary \$250 dollars a day for 10 days and Travel Reimbursement. POLICY: From time to time senior scholars and distinguished visitors wish to pursue collaborative research or advanced study at UCSD. Such persons are appointed as Visiting Scholars and are supported from sources outside the University.

**c) Visiting Researcher**

Must have a Ph.D. and an academic appointment. May receive compensation by using the UCSD BASE salary scale.

**d) Postdoctoral Scholar**

Must have a Ph.D. 3 types of postdocs:

- Postdoctoral Scholar Employee
- Postdoctoral Scholar Paid Direct
- Postdoctoral Scholar Fellow

**e) Visiting Graduate Student (GSR)**

Does not hold a Ph.D., does not have an academic appointment. Has grad student appointment with another University.

**g) Project Scientist**

Appointees in this series are normally either ongoing members of research teams or are employed for a limited period of time to contribute high-level skills to specific research programs. 100% salary is funded by the PI.

**h) Research Scientist**

Appointees function as independent investigators, have complete responsibility for their research programs, and are leaders or have the potential for leadership in their fields. May be 100% funded by PI, however, must be taking steps to becoming independent researcher.
