

Applied Pharmacoeconomic and Outcomes Research Forum

Spring 2008

UNIVERSITY *of* CALIFORNIA
SAN DIEGO

SKAGGS SCHOOL *of* PHARMACY
and PHARMACEUTICAL SCIENCES

Fourth Forum

1. AMCP Dossiers: Useful for Decision Making or Not? A Debate
2. Biologics: Drawing (or Crossing) the line of Cost vs. Benefit: A Case in Oncology
3. Quality Adjusted Life Years (QALY's) for Decision Making: Views from Canada and the U.S.
4. *Using Large Databases to Inform Decision Making: Experience in Three Health Care Systems*

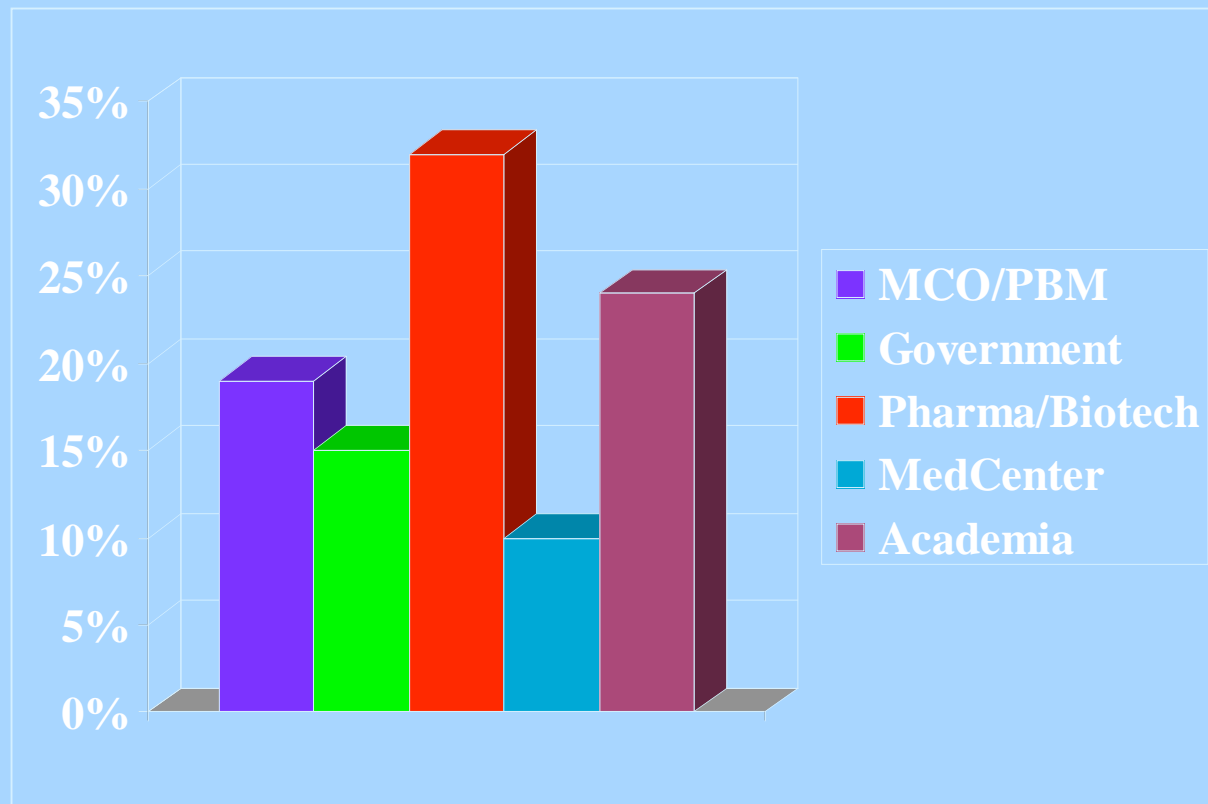

Forum Objectives

Discuss commonly encountered obstacles to conducting or utilizing results of PE studies for decision making

- Explore solutions from various perspectives
 - Managed Care
 - Government
 - Pharmaceutical/Biotech Firms
 - Medical Centers
 - Academia
- Create an environment & foundation to foster larger PE/Outcomes Research Interest Group

Participants

Participants

Aetna

Aequitas

Allergan

Amylin

Biogen Idec

Bristol Meyers Squibb

Cardinal Health

Covance

E.B.D. Group

Kaiser Permanente

Loma Linda University

MedImpact Healthcare Systems

Medi-Cal Dept Health Services

Partnership for Health Analytic
Research, LLC

Pfizer

Prescription Solutions

Sharp Rees-Stealy Medical Group

UCSD Health Services Research

UCSD Medical Center

UCSD School of Medicine

UCSD School of Pharmacy

USC School of Pharmacy

VA – San Diego & PBM/SHG

Veritas

WellPoint NextRx

Steering Committee

Charles Daniels, R.Ph., Ph.D.
UCSD Healthcare Department of Pharmacy

Ted Ganiats, MD
UCSD School of Medicine

Jan D. Hirsch, R.Ph., Ph.D.
*UCSD, Skaggs School of Pharmacy
& Pharmaceutical Sciences*

Mirta Millares, Pharm.D., FCSHP, FASHP
Kaiser Permanente – CA Regions

Anthony P. Morreale, Pharm.D., MBA, BCPS
VA San Diego Healthcare System

Robert Schoenhaus, Pharm.D.
UCSD Healthcare Department of Pharmacy
