

## Educational Experience At-A-Glance

		Summer	Fall	Winter	Spring						
Legend:		Scientific Discovery Project									
		Introductory Pharmacy Practice Experiences (IPPE)									
		Leadership, Innovation/Entrepreneurship, Professionalism, Self-Awareness									
		Pharmacy Practice	Pharmacy Practice	Pharmacy Practice	Pharmacy Practice						
		Study Design & Biostatistics, Law & Ethics, Pharmaceutics, Pharmaceutical Chemistry	Health Policy, Informatics, Study Design & Biostatistics, Pharmaceutics, Pharmaceutical Chemistry	Anatomy, Pharmaceutics, Pharmaceutical Chemistry							
		Electives	Electives	Electives	Electives						
Second Year	IPPE: Community	Optional Exploratory Pursuits	Scientific Discovery Project								
			Introductory Pharmacy Practice Experiences (IPPE)								
			Leadership, Innovation/Entrepreneurship, Professionalism, Self-Awareness								
			Foundations of Medicine	Cardio.	Pulm.	GI & Nutr	Renal, Team-Based Learning	Laboratory Medicine, Pharmacology & Physiology	Endo., Metab. & Repro.	Immunology & Hematology	Microbiology
			Team-Based Learning				Team-Based Learning				
			Pharmacology & Physiology				Pharmacology & Physiology				
			Electives				Electives				
			Scientific Discovery Project						Scientific Discovery Project		
			Introductory Pharmacy Practice Experiences (IPPE)						Introductory Pharmacy Practice Experiences (IPPE)		
			Leadership, Innovation/Entrepreneurship, Professionalism, Self-Awareness						Leadership, Innovation/Entrepreneurship, Professionalism, Self-Awareness		
Third Year	IPPE: Institutional	Optional Exploratory Pursuits (Summer Research Program, Fellowships, Internships, Career Exploration)	Scientific Discovery Project								
			Introductory Pharmacy Practice Experiences (IPPE)								
			Leadership, Innovation/Entrepreneurship, Professionalism, Self-Awareness								
			Therapeutics, Human Disease, Advanced Professional Practice		Therapeutics, Therapeutics: Infectious Diseases, Contemporary Topics in Pharmacology		Therapeutics, Contemporary Topics in Pharmacology, Advanced Professional Practice				
		Pharmacogenomics		Pharmacoeconomics							
		Electives		Electives							
Fourth Year	Scientific Discovery Project										
	APPE	APPE	APPE	APPE	APPE	APPE					
					Dissemination	Co-curriculum					

Students complete 2 Elective and 5 Core APPE rotations. Core APPE include Community, Health Systems, Acute Care, Ambulatory Care, and either Acute or Ambulatory Care.
